

For Sale Chalet 89 Dunster Beach

Location

Chalet 89 occupies an ideal and quiet position on the seaside of Dunster Beach. The chalet is on an elevated position making the most of the sea view and framed between trees either side.

Parking

There is private parking for two cars immediately in front of the chalet.

Outside space

Chalet 89 is a well-maintained original wooden seaside chalet. There is a patio area at the front of the chalet enclosed by fencing to the side and hedge to the front. The rear garden is slabbed with picket fence surround. Patio furniture front and back.

The rear patio gives direct access to the beach via a picket gate and includes a storage box for those all important buckets and spades and deck chairs.

Chalet Exterior

The chalet is wooden clad which was repainted last year. Double glazed throughout with fully glazed patio doors opening onto the beach side to gain the benefit of the sea views.

Kitchen

There is a well-fitted kitchen area consisting of a free-standing full-size cooker, microwave, kettle and toaster, fridge, fitted sink and draining section. There are fitted kitchen cupboards below and above with wall larder which has been extended to house the microwave.

Bedroom

The chalet has a very comfortable separate double bedroom with double glazed window having a view to the front. The bedroom benefits fitted wardrobes with plenty of storage and wall mounted heater.

The Lounge

The lounge has double glazed patio doors opening onto the patio with lovely views of the beach. The lounge includes a three-seater bed settee and lounge chair, fitted TV cabinet with under-storage for duvets and pillows, digital flatscreen TV, wall mounted glass fire and dining table with four chairs.

Bathroom

The bathroom consists of a walk-in shower with glass shower door and Mira shower, wash basin, toilet and heater.
